

WARNING SIGN ALERT SYSTEM

With a Solar Warning Sign Alert System from Solar Lighting International, Inc., any sign can be transformed into a safe and efficient option to increase road safety.

With Sign Alert's ultra-bright LEDs, drivers are cautioned in advance of dangerous road conditions, intersections, and more.

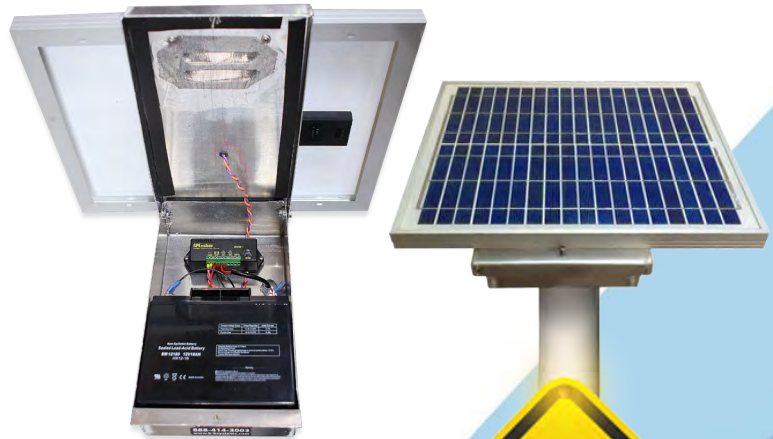

SLI, Inc. also offers add-on modules to increase safety:

- Moisture Sensor
- High Water Sensor
- Radar Sensor
- Cross Walk Push Button
- Key Fob Remote

ADVANCED WARNING SYSTEM PREPARE TO STOP

FEATURES

- ▶ All-In-One Solar Controller, Flasher, and Auto-Dimmer
- ▶ 24/7 Operation
- ▶ Automatic light output for maximum efficiency
- ▶ Simple installation
- ▶ Super bright LEDs
- ▶ Compact battery box

Optional Upgrades:

- ▶ CrossTalk smart controller allows wireless control and monitoring in multiple locations with any Internet accessible device.
- ▶ These add-on options are available: High Water, Radar, Push Button, Moisture, Motion, and Key Fob Remote.
- ▶ For optimized reflectivity, Diamond Grade Sheeting is available.
- ▶ Additional LEDs can be added to each sign.
