

Official Buy American Act Certificate

ATTENTION: Purchasing Agents, Buyers, Architects, Engineers
SUBJECT: 52.225-2 Buy American Certificate

All of Solar Lighting International's solar lighting systems and traffic products comply with the Buy American requirement, effective Oct. 2022. Our components are sourced from various suppliers in the NAFTA region and meet the 55% domestic content requirement.

If you have any questions or need further information, please do not hesitate to contact me.
